Fines: Past President George Gotcsik was leading us tonight as President Pat Brady was enjoying her vacation time in Florida. Since no one had a reason to be fined there were none levied by PP George.

Club Business: PP George advised the members of our upcoming programs (available in in the club activities box) and Bill Redden asked if anyone had a program for March 7th as that is the only open meeting until April.

Program: Tom Brazell introduced Tim Kelly as our program for this evening. Tim has been living in Kigoma, Tanzania since July 4th of 2008 with his wife and two children doing missionary work. He had been to Tanzania three times before this for short

periods of time and made the decision to move his family there to become part of the community. Tim saw a need to try to help the

people in Kigoma earn a living. Because of Tim's background of being a mechanic he is starting a trade school to offer training for students to become mechanics. He told us that the building is almost completed where the trade school will be held. He hopes to offer classes in auto, motorcycle and generator mechanic. This will allow the students to work not only in the city but be able to go to the countryside where autos aren't the main need for mechanics. Tim hopes to be able to have 10 students at a time and he is working on the curriculum at this time. He also is looking for donations of money or equipment that will be needed for this trade school.

Queen of Hearts Drawing: With our jackpot at a total of \$253.50 for tonight's drawing., Tim Kelly was asked to pull the winning ticket. He pulled on of Bill Redden tickets and Bill then pulled the 8 of diamonds from the deck. This means he won \$2 for this card (which he donated back) but left the ever increasing jackpot for at least one more week.

Jokes of the Week

A priest is walking down the street one day when he notices a very small boy trying to press a doorbell on a house across the street. However, the boy is very small and the doorbell is too high for him to reach. After watching the boy's efforts for some time, the priest moves closer to the boy's position. He steps smartly across the street, walks up behind the little fellow and, placing his hand kindly on the child's shoulder leans over and gives the doorbell a solid ring. Crouching down to the child's level, the priest smiles benevolently and asks, "And now what, my little man?" To which the boy replies, "Now we run!"
