Program: Rose Reynolds, our wonderful chef, was introduced as our guest speaker. Rose told us of her and her niece Amy's trip to Vienna and Prague last month for 8 days. They left NY City on March 22nd and arrived in Vienna to the same cold weather we were having here in Lima. Rose told us that Vienna has a population of 2.5 million people and is known for its music and food. She told us that most of the great art is in the churches. Rose and Amy enjoyed seeing the Vienna Boys Choir as well as other musical acts while in Vienna. They left for Prague after 4 days and spent their last days there. Rose told us that Prague is the capital of the Czech Republic and that it gets more visitors each year than Vienna. Prague is known for having crystals and garnet. Once again they toured the churches and the Castle seeing many wonderful pieces of art as well as the architecture of the city. They also were able to find different places to enjoy a concert of many different types of music. They returned back to the USA on their 8th day and are both looking forward to their next trip to somewhere.

Queen of Hearts Drawing: Our jackpot has reached a total of \$342.00 for tonight's drawing. Our wonderful waitress Jackie was asked to pull the lucky ticket. She pulled one of Bill Redden tickets. Bill then drew the Ace of diamonds from the deck. He donated his winnings of \$5 back to the Club. With the jackpot starting to get to such a high level it is strongly suggested that you don't miss a meeting or you will lose the chance to win this ever increasing jackpot as there are only 23 cards left in the deck.
