For week of Aug. 15 & 21, 2013

Members Absent: Pat Brady, Jack & Maria Conner, Fany Loughlin and Tom Wheat

Guests: Adam Lacy

Fines: George and Fran Gotcsik drove to Brooklyn to visit their daughter, son in law and grandson. We were told by George that he spent most of the time he was there to repair things around the home. Thus he wasn't fined for this trip.

Club Business: George Gotcsik was our acting President and he read a thank you card we received from one of our scholarship at the HF-L High School. We discussed getting ready for our yard sale for Saturday Aug. 17th. Bill Redden reminded the members that we will be attending the streak roast at the GVRC on next Wednesday. He also asked if everyone received the E-mail he sent concerning purchasing your tickets for the GVRC 50th anniversary dinner?

George Gotcsik advised our Club that he will be hosting a couple from Australia from the District 7120 Friendship committee.

Some of our members attended the GVRC board meeting that was held at Camp Sam Wood on Wednesday night August 21st. That week was when we were holding our camp for our kids. We found out that there was a record number this year, 116. There were 86 full time staff members and many volunteers to help out with all of the activities that the campers were doing. We were honored to hear from one of the campers what it has meant for her to be able to attend our Camp these past years. We also heard how other people are supporting our Camp by raising money in different ways. That night over \$13,000 was presented to our treasurer. For any member who has never attended the Camp they are missing one of our greatest service project that we do as a Rotarian and I encourage you to plan on being there next year.

Program: We welcomed back to our Club Adam Lacy. Adam was our representative at the Rotary Youth Leadership Award program held the last week of June at RIT. He told us what the 4 day program was about and how he enjoyed learning different leadership schools and meeting and working with new people. Adam was a member of

the food committee. This committee planned the picnic that was held on Wednesday. Other committees prepared a yearbook and tee shirts for the 24 students who attended. We asked Adam if he would advise another student to attend the RYLA program and he whole heartily did.

Queen of Hearts Drawing: With the number of cards now at 10, many of our members are buying more tickets for the chance at the jackpot which stands at \$498 tonight. We asked our guest Adam Lacy to pull the lucky ticket tonight. He pulled one of Mike Hayes tickets and Mike pulled the 10 of spades! He won \$5 for this card but he donated that money back to our Club, thank you Mike for your generosity.
