**For week of Dec. 5, 2013**

**Members Absent:** Maria Conner, Fany Loughlin and Jim Murray

**Guests:** Mark Gooding and Ian Gooding

**Fines:** George & Fran Gotcsik took a trip to Anchorage, Alaska to help their daughter Mara move into her new house that she recently purchased. While there (with our moose) they took part in a Turkey Day Trot (even in temperatures around 15 degrees). Since George was on this trip while we held our Senior Citizen Dinner he made a \$5 donation. Pat Brady told us that she has finally closed on her building in town, even though she sold it for no profit, so she made a \$1 donation. Mike Hayes was fined \$2 for going to bed early instead of watching his beloved Philadelphia Flyers make a strong come back and win a game. Bill Redden and Clair Milburn each donated happy bucks so that everyone had made some kind of a donation tonight.

**Club Business:** Clair Milburn gave a report on the Senior Citizen Dinner we held on Nov. 23<sup>rd</sup>. The number of seniors at the dinner was done because of the weather but everyone had a great time. We discussed what we need for food for next year to better have the right amount for this dinner.

Mike Hayes reported that he and Pat Reynolds had delivered the dictionaries to the 3<sup>rd</sup> graders and thesaurus books to the 6<sup>th</sup> graders at the Lima Christian School on Nov. 25<sup>th</sup>.

The Club made a selection for a Paul Harris recognition that will be handed out at our Christmas party on Friday Dec. 20<sup>th</sup> at the Deer Run Winery.

Bill Redden passed out the names of the businesses that supported us for our last golf tournament along with a listing of all of the other businesses in Lima. He asked each member to look over these lists and come back with businesses they will contact for the 2014 golf tournament so he can send out a letter to each of these businesses before the first of the year. Bill also reminded the club we need to nominate officers for next year at our meeting next week.

**Program:** We welcomed, from Boy Scout Troop 29, Ian Gooding and his father Mark, who is the Committee Chair for the Troop. Mark gave us an update on the Troop including the number of scouts in it as well as some of the trips and fundraisers they have and will be doing. We also had a report from Ian Gooding concerning his Eagle Project that he is

working on at the Lima Primary School. The Primary School is building an outdoor classroom that will be used by the students to become better educated about nature. Ian is going to build two bridges to make it easier to get to a wooded area where there will be arts and crafts. To build these bridges Ian is estimating that the cost will be \$350 for materials. He is looking for donation of money and or materials to cover the costs. So far he has about a \$50 donation of materials from Wieder's Hardware in Honeoye Falls. The Club will discuss how we can help Ian out with either materials or money at our Board meeting next week.

### Quote of the Week

Different shades of life make the painting more beautiful.

### Jokes of the Week

*"The trouble with today's generation is that they can't stand on their own two feet."*

**Queen of Hearts Drawing:** Tonight's jackpot is at a total of \$78.50 and our wonderful chef Rose Reynolds was asked to pull the lucky ticket. She pulled one of Mike Hayes tickets and he quickly pulled the 10 of Clubs. Mike donated his winning for this card back to the Club. Thank you Mike for your generous donation.
