Members Absent: George Gotcsik, April Morsch and Pat Reynolds

Guests: None this week

Fines: With no one doing anything worth being fined for President Wanda asked everyone to donate to our Polio pig fund.

Club Business: President Wanda told all of us how much she and Jerry enjoyed having Gov. Elect Alex and Charles at their home last week. She advised us the Charles had given her a worthy service project that our club might like to get involved with in Dominican Republic. It is called vision grant and helps the people in their community by offering them new reading glasses. President Wanda is going to get more information about this project to see how we can become involved with it.

Bill Redden told the club that we will have an outbound Youth Exchange student this coming

year, Briana Edlebach was selected to go to South Africa starting in August. Bill also informed the members that the Monsignor Schnackey Community Players will be holding their The Snake In The Grass comedy play for the first 3 Fridays and Saturdays in February. If any members want to attend this play Bill will purchase the tickets in a block for everyone so we can all go together.

Program: There was to be a District Conference program tonight but our guests from the Newark Club didn't make it so we held our monthly Board Meeting at this time.

Queen of Hearts Drawing: The pot has reached the total of \$188.50 tonight. Jim Murray was asked to pull the lucky ticket and he pulled one of Mike Hayes tickets. This is the second week in a row for Mike to have a chance at the pot and this week he pulled the King of Clubs.

Sorry Mike that you didn't win the pot at this time but for pulling the King you did win \$5 which he graciously donated back to the club.

Quotes of the Week

A true friend never gets in your way unless you happen to be going down.

Arnold H. Glasow

I always felt that the great high privilege, relief and comfort of friendship was that one had to explain nothing.

Katherine Mansfield

Generous lawyer

A local United Way office realized that the organization had never received a donation from the town's most successful lawyer. The person in charge of contributions called him to persuade him to contribute.

"Our research shows that out of a yearly income of at least \$500,000, you give not a penny to charity. Wouldn't you like to give back to the community in some way?"

The lawyer mulled this over for a moment and replied, "First, did your research also show that my mother is dying after a long illness, and has medical bills that are several times her annual income?"

Embarrassed, the United Way rep mumbled, "Um ... no."

The lawyer interrupts, "or that my brother, a disabled veteran, is blind and confined to a wheelchair?"

The stricken United Way rep began to stammer out an apology, but was interrupted again.

"or that my sister's husband died in a traffic accident," the lawyer's voice rising in indignation, "leaving her penniless with three children?!"

The humiliated United Way rep, completely beaten, said simply, "I had no idea..."

On a roll, the lawyer cut him off once again, "So if I don't give any money to them, why should I give any to you?"
