**ROTARY INTERNATIONAL YEAR – 109<sup>th</sup>      LIMA ROTARY YEAR – 76<sup>th</sup>**

**Officers for 2013 – 2014**

					
RI President Ron Burton	District Governor Ellen Hughes	Assistant Governor Bill Moehle	President Maria Conner	President Elect	Secretary/Treasurer Amanda Hayes

**For week of July 18, 2013**

**Members Absent:** Fany Loughlin and Jim Murray

**Guests:** Gov. Ellen Hughes, AG Bill Moehle, PDG John & Maureen Hall, Mike Yusko & Family, Paul Fleming & wife,

Members of the Brady & Conner families and our exchange student from 20 years ago Clare.

We were honored to have all of these guest at our “Passing of the Gavel” picnic. The members brought great dished of food and there

was plenty for all to eat.

Since this was our official change over meeting Past President pat Brady thanked the Club for giving her the chance to lead us. She was very

proud of all we had accomplished in her year and look forward to seeing President Maria continue with getting new members.

Past President pat then handed over the gavel to President Maria.

President Maria then presented a plaque to Past President Pat from our Club for her year of service.

President Maria told us of her plans for this coming year and we are all looking forward to help her in any way we can.

It happened that Gov. Ellen Hughes was making her official visit to the Club today also. She told us about RI President Ron Burton theme for this year, Engage Rotary – Change Lives. Gov. Ellen advised us that she would like to all of our Clubs within the

District to raise money for our Polio Plus campaign by seeking money from within our community not from the members. She did challenge each member to make some contribution to

“our” Rotary Foundation as 50% of all money donated to the annual share fund will come back to the District. Up to 50% of the money the District receives back can be used for District Simplified Grants such as the two our Club received for this year. She also challenged us to help her by buying tickets to the Red Wing baseball game as if the Clubs buy a minimum of 200 tickets then \$1 from each ticket will be donated back to the District

Literacy committee. She also wants as many Rotarians as possible to be there to encourage her as she make the “first” pitch before the game starts. She wants us to laugh with her not at her as she admits being athletic wasn’t a criteria for becoming District Governor.

Past President Pat, along with President Maria and former AG Lynn Freshman asked Bill Redden to come forward. She then surprised Bill by presenting to him the Rotarian of the Year award. She thanked him for all he does for our Club. Lynn wanted to thank him for all he has done for the District.

Bill thanked the Club for this honor and told everyone he will continue to do his best to help the Club.

## Quote of the Week

“When we talk about the family of Rotary, I know public relations is a part of that,” he says. “But to me, it really is the family of Rotary. If you get your own family involved in this, with your own heart, and it expands to the world, that’s the family of Rotary – that’s community service.”
