Members Absent: Pat Brady, George Gotcsik, Clair Milburn, April Morsch, Jim Murray and Tom Wheat

Guests: None tonight

Fines: There was no one who had any reason for President Wanda to level a fine against. Bill Redden donated \$2 for the great time he had at the District Conference.

Club Business: President Wanda reminded the members that we are having a joint meeting on June 21st with the Honeoye Lake Club. It will be held in Honeoye and we need a count of the members who will be attending to give to the Honeoye Club.

Bill Redden passed around a signup sheet for the recycling fundraiser on June 9th. He also told the members that there will be a Pickin' for Polio Concert being held on June 16th at the Canandaigua

Middle School. It will start at 7 PM with the proceeds going to Polio Plus. The club has 10 tickets to sell and Amanda Hayes will collect the \$10 for each ticket that we want.

President Wanda asked Bill Redden to give a report on the District Conference. He said he had a wonderful Friday on the golf course where he played with our visiting GSE team leader. Bill said that the Conference was great as Brian Edelbach, our outbound Youth Exchange Student, President Wanda and Jerry Tubbs had the opportunity to have great fellowship with Rotarians from all over the District. The entertainment by the Monsignor Schnacky Choir was outstanding. Two of the special songs that they sang can be seen and heard by going to the District website and clicking on the links on the home page. President Wanda informed the Club that we had won 1st place in our division for the Club's website and bulletin. Below you can

see these awards which were presented to President Wanda.

Quote of the Week

By President Abraham Lincoln on 11/19/1863

Four score and seven years ago our fathers brought forth on this continent, a new nation, conceived in Liberty, and dedicated to the proposition that all men are created equal.

Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battle-field of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this.

But, in a larger sense, we can not dedicate -- we can not consecrate -- we can not hallow -- this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us -- that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion -- that we here highly resolve that these dead shall not have died in vain -- that this nation, under God, shall have a new birth of freedom -- and that government of the people, by the people, for the people, shall not perish from the earth.

Queen of Hearts Drawing: First President Wanda had the opportunity to pull a card for last week's pot of \$380. She pulled the Queen of Diamonds which won her \$5.

This means tonight jackpot, which has grown to a total of \$388.50, was still available to be won. Our great server Jackie was asked to pull the lucky ticket. She pulled one of Mike Hayes tickets who then carefully pulled the 7 of Hearts from the deck. He won \$2 for this card which he graciously donated back to the club. Thank you Mike for your generosity.

Joke of the week

Paraprosdokians

Winston Churchill loved them. They are figures of speech in which the latter part of a sentence or phrase is surprising or unexpected; frequently humorous

Since light travels faster than sound, some people appear bright until you hear them speak.

You're never too old to learn something stupid.

I didn't say it was your fault. I said I was blaming you.
