**Club Business:** Gorge Gotcsik told the Club of his visit with GE Imam Kudari and his Susi from Indonesia . This was part of the Milt Matthews Gov. Elect program our District does each year. The week before the Gov. Elects head to the Rotary training in San Diego they spend time within our District with host families. Gorge told us they traveled to Niagara Falls, Corning Glass Museum and to a tour of a winery as well as for the first time they snow and walked in snow. He encouraged any of the members who can to consider hosting a Gov. Elect as it is a very rewarding experience.

The Club has agreed to hold a spouses night on Feb. 14<sup>th</sup> at the American Hotel.

We also set March 9<sup>th</sup> as the date for our spaghetti dinner to support the Boy & Cub Scouts.

It was announced that we will hold the Ester Egg Hunt on March 30<sup>th</sup> and Jim Murray has agreed to chair this event once again.

Mike Hayes informed the Club that Genesee Community College is looking for scholarships for some of their students. It was suggested to invite one of their staff to present a program to the Club about this.

**Program:** We welcomed Pittsford Rotarian Jerry Elman to talk to us about the District Conference. It is being held this year in Lake Placid on May 3<sup>rd</sup>

through the 5<sup>th</sup> at the Crowne Plaza Hotel. He told us that we will be in the middle of the community with easy access to all of the sites, such as Olympic

Center, the shopping center, Mirror Lake and the golf course. He went over the cost for the conference and how you can save \$25 if you book your Hotel room by Feb. 1<sup>st</sup> and have your registration in by March 15<sup>th</sup>. We asked some questions to Jerry concerning the Conference which he will get back to us about.

**Queen of Hearts Drawing:** Our jackpot has grown to a total of \$219.50 for tonight's drawing. Our guest Rich Fischer was asked to pull the lucky ticket and he pulled one of President Pat Brady tickets. She carefully studies the cards and pulled the 6 of clubs from the deck which won her \$2 which she donated back to the Club.

Happiness does not come from doing easy work but from the afterglow of satisfaction that comes after the achievement of a difficult task that demanded our best.

### Jokes of the week

#### Medical School Entrance Exam

A frustrated doctor tells me that when he was young he took an entrance exam for medical school. The exam included several questions that would determine eligibility.

One of the questions was: "Rearrange the letters P N E S I to spell an important part of the human body that is more useful when erect."

Those who spelled "SPINE" became doctors. The rest ended up in Congress.
